

BOUNCY CASTLE INSTRUCTIONS

To inflate:

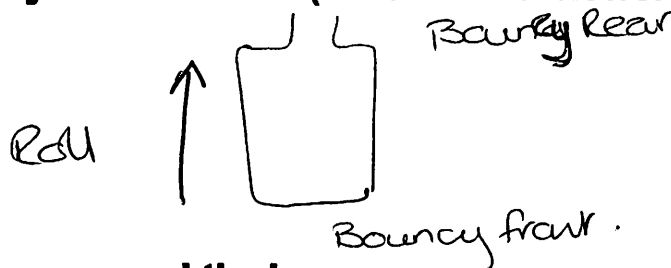

- Remove bouncy from bag and undo strap
- Roll out and unfold
- Attach blower and tie up any unused air holes
- Turn on blower
- Bouncy will inflate within a few minutes

To deflate and pack away:

- Turn off blower and untie all air holes to let the air escape
- Fold bouncy in to thirds as shown below

- Roll bouncy front to back (towards the blower hole) to push out remaining air

- Tie the strap around the bouncy
- Place bouncy in bag

PLEASE NOTE:

IF BOUNCY IS USED IN THE CAC, PLEASE ENSURE THAT ALL FURNITURE IS PLACED BACK TO WHERE IT WAS FROM.

THANK YOU
